

The Lamp

Dr. Kevin West-Principal

Raising Our Standards Above and Beyond "Visions of Excellence"

It is indeed with great ebullience and pride that I commend you, the West Side High School class of 2010. Congratulations on reaching a major academic milestone that will positively impact the rest of your life. Throughout your years at West Side High School, it has been our primary purpose to assist you in developing into intelligent, compassionate and responsible citizens.

Our emphasis this school year has been to develop in you the necessary skills that you will need in college, work and life. Each of your teachers has had much to offer you. They have contributed and influenced your intellectual, social and emotional growth. It has been a pleasure working with you, class of 2010. We were able to raise the bar and the standards, and, as a result, we all are stronger and wiser.

You are now equipped with the necessary tools to succeed. I have no doubt that you will carry on in the proud tradition of the thousands of West Side High School Rough Rider alumni who preceded you and who are now productive members of our society, no matter what their walk of life.

There is a way for you to make a positive difference today. Go out and change the world in your own special way, and you will find it to be an even more beautiful place to live. Fill your time with action, love, meaning, purpose, richness and with life. Instead of wondering where the time has gone, be delighted with where it takes you as you soar to higher heights.

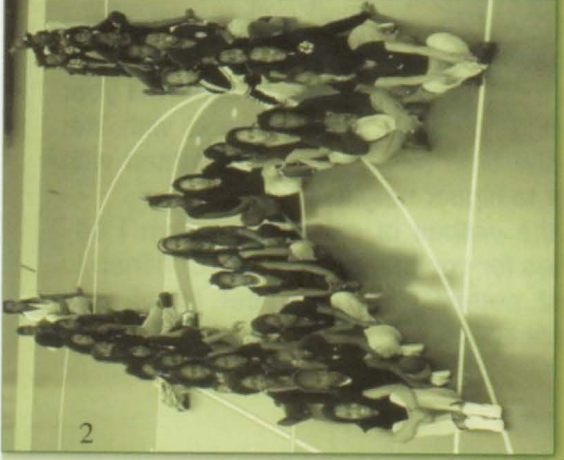

In closing, I echo the wishes of our faculty when I say congratulations and best wishes for continued success. Continue to strive to achieve your fullest potential and to meet all of your challenges head on in the years ahead.

Respectfully,

Dr. Kevin R. West
Principal

And change
to be an over
for love, the
understanding what
you are you
stand, I don't
me and just
and you

Special Thanks

What a special position to be in and to serve as the
2010 Yearbook Advisor.

It was a great deal of work and took tremendous
dedication. Yet it was especially delightful and
rewarding. I found a rare opportunity to interact with and
meet so many new people from the students to coaches
and teachers.

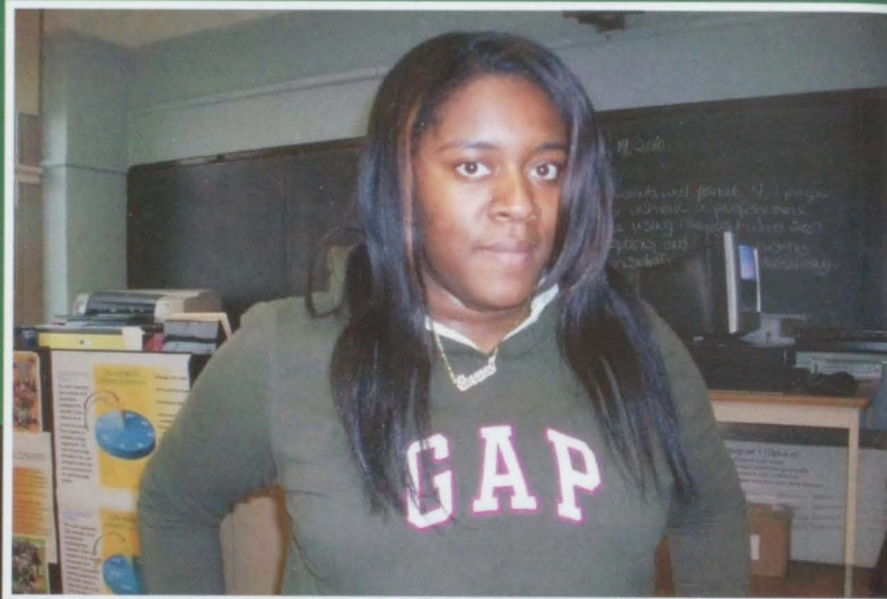

I would like to take this time to thank all of the students
who hung in there and attended all of the meetings and
help to make the yearbook a great success. I thank you
for your dedication, hard work, and great suggestions.
I give a very special thank you to Saniyyah Pritchett for
being so faithful and never leaving or giving up. I could
not have done this without you and I'm sure you know
that. I love you all and to the senior class I wish you
success beyond your imaginations. Just remember you
will have to work very hard for it.

Much Love,
Ms. Katherine Clark

Teachers, Born to Make a Difference

On a daily basis the teaching staff at West Side High show up with the hearts and spirits to have a positive impact on the lives of our students. We never really know if we are hitting or missing but we don't throw in the towel. Then one day a successful student that you haven't seen in a few years comes to visits you and gives you the exact moment that you changed their life. It is then we know, it was all worth it.

A group photo of the 1997-1998 South Pasadena High School football team. The players are posed in a gymnasium. They are wearing dark jerseys with green numbers and white pants. In the background, there are banners for 'PASSAIC VALLEY', 'ORANGE', and 'BUTLER'. A scoreboard is visible on the right side of the image. The players are smiling and some are holding footballs. The photo is framed with a green border.

"Education's purpose is to replace an empty mind with an open one."
Malcolm Forbes

Congratulations Class of 2010!

I feel a little sentimental about the Class of 2010, over the past 4 years I have had the privilege of witnessing you grow and evolve from *Frightened Freshmen* to *Superior Seniors*. I have been challenged to be the best advisor, advocator, mentor, role model and leader because of you. You have discovered your passion and planted your feet, now you are ready to conquer the world.

The word commencement means...BEGINNING. So, while you are closing one chapter of your life, you are opening another. One in which you have been taught lessons of formal education by your teachers, reinforced with basics lessons of life as well as emotional, physical, and spiritual development by your parents and community. You are setting out on a new path towards higher learning that will build on the foundation of wisdom and love that has been instilled in you. Continue to persevere regardless of how things may seem. Remember "to pick and choose your battles" and "for every action there is a reaction".

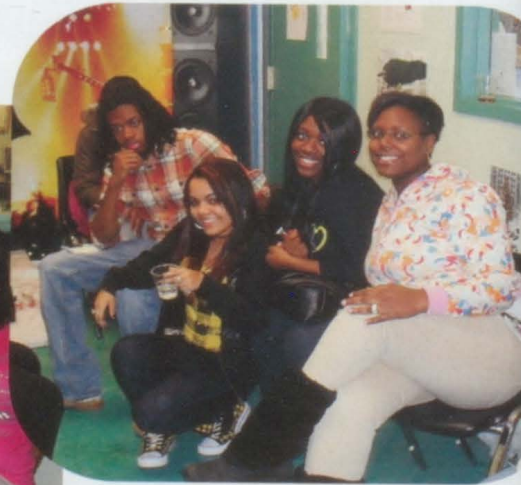

Be fearless about your future! Devour every new obstacle as a roaring lion! Embrace the unknown challenges ahead with fervent determination to succeed! Whatever your plans may be, hold tight to your faith and the values that are within.

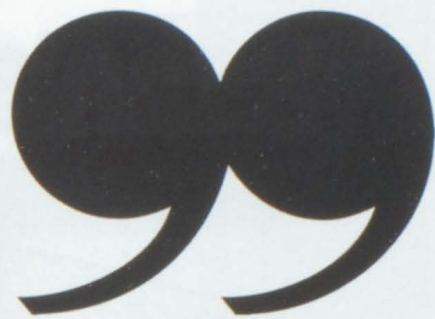

Your journey may take you far from your physical home, God is always with you and the prayers of this West Side Family envelop you, protecting you from those that might seek to destroy you. Be vigilant and ever mindful of God's presence and the power of His love and direction in your life.

"The future belongs to those who prepare for it today"....
Malcolm X Shabazz

Love Always

WAYS TO SAVE ENERGY

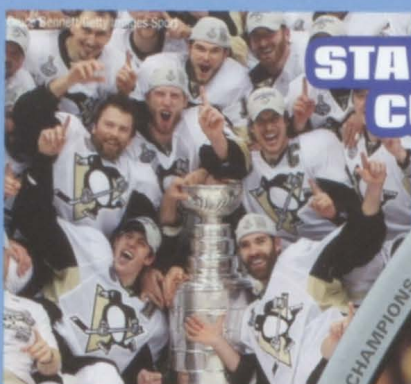

1. Turn off the lights when no one's in the room.
2. Carry a reusable tote bag when you go shopping.
3. Bike or walk instead of driving.
4. Get a reusable metal water bottle.
5. Unplug and shut down electronic devices when not in use.
6. Buy music online instead of purchasing CDs.
7. Use rechargeable batteries instead of disposables.
8. Replace standard light bulbs with compact fluorescent bulbs.
9. In winter, turn down the heat and wear more layers.
10. In summer, set your air conditioner thermostat to 72° or higher.
